Copy of letter No.CS.A.52/45-46 dated 11th May 1946 from the Deputy Commissioner, Shimoga to the Director of Food Supplies in Mysore, Bangalore.

Subject: Iron Safe - supply of

With reference to your H2.Pr.410/C.5723 dated 4/5/46 calling for certain particulars in the matter of supply of one Iron Safe to this office, I have the honour to state that the sales depots work till 7,0' clock in the evenings by which time the treasury will have been closed for transactions. The collections of Saturdays and Sundays or other holidays cannot be left with the depot Clerks inspite of their having offered security. It is found expedient to centralise all collections and keep them in safe custody in this office before they are remitted to the treasury. In the circumstances the need for a safe cannot be obviated.

2. The normal daily sales in the depots is about Rs.1,000/- An Iron Safe of the size of 2½ ft by 1½ ft or 2 ft may be supplied early. As the sales depots are in full swing, I request early action in the matter. As the matter is urgent, one safe will be hired locally for emergent use till one is supplied by you.
